

**Pennsylvania Society of Professional Engineers
Philadelphia Chapter
Primo Hoagie and Courses**

Thursday, October 5, 2017

Registration & Hoagie: 5:30 PM to 6:00 PM

Course #1: 6:00 PM to 7:00 PM

Elevating Construction Coordination

Course #2: 7:00 PM to 8:00 PM

This session will cover a handful of different cloud tools, technologies and services to show how they can help workers onsite keep up with what is happening, construction managers ensure their projects are progressing on schedule and correctly, safety personal can track both good and bad habits with built in reporting and planners can ensure that all are on the same page

Flying high with Unmanned Aerial Systems

This session will provide an overview of Unmanned Aerial Systems (UAS & drones) and how they can be used for projects, with design, inspection and safety examples.

Both Course Presented by

**Peter Marchese
Senior Technical Evangelist
LEED Green Assoc.**

Both course will be evaluated and each should be accredited for 1.0 Professional Development Hour by the Pennsylvania Society of Professional Engineers through PIE to meet continuing education license requirements in New York State. PSPE believes that both courses will be accepted for credit in PA, NJ and other National Model states where courses do not require pre-approval.

Pennoni Associates
