

**Institute of Electrical and Electronic Engineers
Philadelphia Section and
Pennsylvania Society of Professional Engineers
Philadelphia Chapter**

Thursday, January 9, 2025

Registration / sign-in: 5:00 PM to 5:20 PM

Walking Tour: 5:30 PM to 7:00 PM (1.5PDH)

**Freight and Passenger Elevators
Electrical Systems' Modernizations
Pennsylvania Convention Center**

Presented by

**Joseph F. Maida, PE
Maida Engineering, Inc.**

During the tour the attendees will observe the Mechanical Rooms: for the Modernized Hydraulic Freight Elevators 13 & 14 and Modernized Traction Passenger Elevators 22 & 23; and the Existing (not yet Modernized) Hydraulic Freight Elevator 15 & Hydraulic Traction Elevator 19. The application of articles in the current building and fire codes and the effects that these had on the modernization engineering and design will be presented and described in the course/activity handout.

The Pennsylvania Society of Professional Engineers, through PIE, has evaluated and approved this "course/activity" as meeting the continuing education license requirements for 1.5 Professional Development Hours in New York State. PSPE believes the "course/activity" will be accepted for credit in PA, NJ and other National Model states where courses do not require pre-approval.

All attendees must arrive at the PA Convention Center Security, entrance on 13th Street just north of Race Street, by 5:20 PM to sign in and receive the course handout and certificate.

Price using PayPal - \$5.00
