

**Pennsylvania Society of Professional Engineers  
Philadelphia Chapter  
The Engineers Club of Philadelphia  
Philadelphia Section of IEEE  
Food, Walking Tour, Q&A, and Networking**

**Thursday, September 9, 2021**

Registration & food/drink: 5:15 PM to 6:00 PM

**Walking Tour: 6:00 PM to 7:00 PM**

**Let's get out and get some FRESH AIR!!!!!!**

Join PSPE members and other interested guests on a *“follow up” walking tour of the Center City section of Schuylkill Banks*, a multi-use trail and greenway that is part of the greater Schuylkill River Trail system. Our initial tour was conducted in 2017 – excellent!!

Meet on the trail at Walnut Street for a 50-minute walking tour of the trail. Learn how it has transformed a desolate landscape into a regional amenity. We'll see a floating dock, an over-water boardwalk and maybe some freight trains on the adjacent CSX rail line.

Learn how the restricted access issues were addressed, hear about some unique engineering challenges and, lately, how Arora Engineers, Inc. provided electrical engineering, design, and construction administration services for the installation of a new service, electrical distribution, and the *very important lighting for the trail extension to enhance the Safety and Security.*

Lastly, learn about an upcoming project that will close the final trail gap between points north and Bartram's Garden.

Meet: On the Schuylkill Banks trail, on the east side of the river, under the Walnut Street Bridge (approximate address: 2501 Walnut Street, 19103).

The Pennsylvania Society of Professional Engineers, through PIE, will evaluate and approve this “activity” which meets the continuing education license requirements for 1.0 Professional Development Hour in New York State. PSPE believes the “activity” will be accepted for credit in PA, NJ and other National Model states where activities do not require pre-approval.

**Price using Paypal - \$15.00**
