

How to create a MyNCEES account or login to an existing account:

<https://ncees.org/launch-login/>

To create a new account, you will need the following information:

The screenshot shows the MyNCEES website interface. On the left is a dark sidebar with the NCEES logo and a bookshelf graphic. The main content area is titled "Create a MyNCEES Account" and contains a registration form. The form has two columns: the left column includes fields for Username, Password, Confirm Password, Email, and Confirm Email; the right column includes fields for First Name (Given Name), Middle name, Last Name (Surname/Family Name), and Date of birth (with dropdowns for Month, Day, and Year). Below the form is a checkbox for "I agree to the Terms of Use and Privacy Statement." and a "Success!" message with a Cloudflare logo. To the right of the form is a section titled "Do I have an existing MyNCEES account?" with instructions for existing users and a link for "I forgot my password". Below that is a "Password Requirements" section listing rules: at least 8 characters and at least 1 letter upper.

Create a MyNCEES Account

Username:

First Name (Given Name):

Password:

Middle name:

Confirm Password:

Last Name (Surname/Family Name):

Email:

Date of birth: Month Day Year

Confirm Email:

You must agree to the [Terms of Use](#) and [Privacy Statement](#) to register.

☐ I agree to the Terms of Use and Privacy Statement.

Success! 

Do I have an existing MyNCEES account?

Anyone who registered for an NCEES exam from October 2010 to the present has an existing MyNCEES account. Use your existing login information to access your account.

I forgot my password

If you can't remember your password, select **Forgot your password** to reset it. Do not create a duplicate account. Duplicate accounts will be locked and you will not be able to access the system.

Password Requirements

For security, your password must contain the following:

- At least 8 characters
- At least 1 letter upper

Do not create a duplicate account! If you have previously made an account, please use the link to reset your password.

How to use the code to access the free online interactive practice exam:

<https://ncees.org/exams/fe-exam/>

Scroll down to section titled “Exam Materials” and click on the link for “Practice Exams”

Find the application FE interactive exam discipline and click on “View Product”

Add it to your cart and proceed to check out.

Enter the discount code where prompted. This is very much like all online shopping! You should then see the exam in your cart with no charge.

Once you check-out, the exam will be available to you through your MyNCEES portal for unlimited use. If you do not check-out before the code expires, you will not be able to access the free download.
